

4-H Food Stand Information

The 4-H Food Stand Committee has scheduled your club at a time that hopefully works out for the majority of your members. If this doesn't work for any individual you are always welcome to work a different shift. Feel free to stop by and talk to one of the supervisors on duty and see what works best. Some times that extra help is usually needed are Thursday during the livestock and small animal judging and Friday night during the Market Animal Sale.

Along with the schedule, we thought we would answer some questions that seem to come up most frequently about the Food Stand including why and when members/leaders work.

The majority of questions seem to pertain to "why".

- Do you receive awards for the completion of your record book at the Awards Night in November?
- Have you gone on a 4-H sponsored trip or would you like to? (CWF, State 4-H Congress, National 4-H Congress, Space Camp).
- Have you participated in Super Saturday?
- Do you use 4-H literature to help you with your projects for the fair?
- Have you gone to 4-H camp?
- Maybe you've been to a 4-H sponsored workshop for one of your projects.
- Would you like to win a scholarship to help you through college?

These awards/benefits are supported by the 4-H Leaders Association. Where does that money come from? The Food Stand and Plat Book sales are the two fundraisers for the 4-H Leaders Association. So, in return we ask that you work one shift in the Food Stand during the fair to help us keep funding these programs that benefit you and other 4-H members. ***A more detailed letter including food stand guidelines and other notes will be mailed to each family. Please review this prior to the fair.***

2016 4-H Food Stand Club Work Schedule

Help Needed with Food stand Clean Up

In addition to the shifts assigned to clubs at the food stand during the County Fair, the committee would really appreciate help to prepare the stand ahead of time. If anybody is able to help on August 22 and/or August 23 please go to the fair and volunteer. Both days somebody from the committee will be there late afternoon. The more people that help, the easier the job will be.

Wednesday, August 24

9:30 am—3:30 pm	Tri-County
11:30 pm—5:30 pm	Dayton Community
4:00 pm—Close (grill off at 9:00, help close stand)	Casey Lake
