

Join us for the graduation of Leadership Waupaca County Class XVII

On behalf of all those involved in the development, encouragement and support of Leadership Waupaca County, THANK YOU for your support! The class, and consequently, the development of future local leaders would not be possible without your support.

The graduation program begins at 5:00 p.m. at the Manawa Masonic Center located at 520 N. Bridge Street in Manawa on Thursday, May 11, 2017. The evening will include a dinner, participant presentations and the graduation ceremony. Many in the past have told us how they would love to hear the LWC project presentations, so this year I have incorporated it right into the graduation ceremony.

I am excited for everyone to hear the presentations that our LWC participants have worked so hard on and am looking forward to sharing what they have been working on throughout the year. They formed teams to research, discuss, analyze and craft possible solutions to contemporary community dilemmas. This year, the issues they worked on were broadband expansion, support for young professionals, access to drug treatment options, and volunteerism.

There is a schedule of events and a reservation form on the back. We have two ways to make your reservations—mail in or online. The cost is \$20/person and includes dinner. Current participants, their guest, sponsors and steering committee members will be MY guest and do not need to pay. Everyone who plans to attend dinner needs to RSVP so we can adequately plan this event.

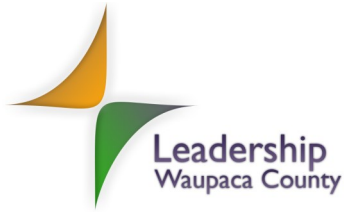

It has been another wonderful year getting to know this very special group of leaders and leading, teaching, and learning alongside them. Many thanks for your part in making it a successful year! I look forward to seeing the great things this class will do as leaders in their careers, communities and families.

Sincerely,

A handwritten signature in black ink that reads "Jessica S. Beckendorf".
